The Botanical Society of Lund

Founded in 1858

Anybody who is actively interested in botany may become a member of the Botanical Society of Lund after applying to the secretary, address: Box 41, Lund, Sweden. Institutions, schools, libraries etc. may also obtain membership.

Members receive the journal **Botaniska Notiser** free of charge as well as a discount on the purchase of other publications of the society. Further information concerning the work of the society and membership privileges is given on this and the following page.

1. **Botaniska Notiser** — started in 1839 — is issued in four fascicles a year, comprising together about 500 pages. The journal is open to all branches of botany and finds its way to about forty countries all over the world. Contributions are accepted in English, German and French or in Swedish with a summary in one of the above-mentioned languages.

Editor-in-chief: Prof. Henning Weimarck.

Editorial board: Prof. Artur Håkansson, Dr Tycho Norlindh and Dr Hemming Virgin.

The members of the society receive the journal free of charge. Membership fee: 18 Swedish kronor. Bookseller's price: 22: 50 Sw. kr.

General Index of *Botaniska Notiser* 1839—1938

Members 10 Sw. kr.

Bookseller's price 15 Sw. kr.

2. **Opera Botanica** contains larger treatises in all branches of botany. It is issued at indefinite periods; two or more papers form a volume of c. 400 pages.

Vol. 1: 1. N. HYLANDER, I. JÖRSTAD et J. A. NANNFELDT: *Enumeratio Uredinearum Scandinavicarum*. 1953. 102 pp.

1: 2. H. HORN AF RANTZIEN: *Middle Triassic Charophyta of South Sweden*. 1954. 83 pp.

1: 3. H. HJELMQVIST: *Die älteste Geschichte der Kulturpflanzen in Schweden*. 1955. 186 pp.

Vol. 2: 1. HANS RUNEMARK: *Studies in Rhizocarpon I. Taxonomy of the Yellow Species in Europe*. 1956. 152 pp.

2: 2. HANS RUNEMARK: *Studies in Rhizocarpon II. Distribution and Ecology of the Yellow Species in Europe*. 1956. 150 pp.

Members 15 Sw. kr.
per volume
